### Exhibition GREEN IS LIFE

24 – 26 August, 2012

„GREEN IS LIFE” – the fair of plants, garden technique and landscaping. For 20 years it has been center of „green business” for nurserymen and gardeners, producers and suppliers of garden technique and equipment, sales representatives, landscape designers and contractors. „GREEN IS LIFE” is the biggest presentation of plants for gardens and landscape areas in Poland and Middle Europe, this is place of garden novelties and trends – the place where can be found inspiration and products for your own garden.

VENUE: EXPO XXI, Pradzynskiego st., 12/14, Warsaw, Poland.
